

SIGNBOND® FABRICATION

Signbond® FABRICATION is a high performing aluminium composite signage sheet designed for precision panel forming. It has a robust core and 0.3mm aluminium skin making it ideal for fabricated applications. With its excellent rigidity and flat surface, **Signbond® FABRICATION** is perfect for routing and folding, providing the ability to create 3D signs to make your project stand out. It is available in 4mm and 6mm gauge sheets and also comes with a 10 year warranty.
